#### Even Break in Double Header.

Jacksonville, Ill., June 26.—Due to the superior pitching of Akers, a new pitcher for the Belites, the Indians were unable to take the first game. The second game was secured through the good work of Downing, catcher for the Indians.

In the first game the Belites made ten healthy bingles off Brahie. They were scattered but with the errors made on the Paducah team netted five runs. Three bingles were all the Indians secured off Akers.

The score: R H E  
Jacksonville ..... 5 10 1  
Paducah ..... 0 3 3  
Batteries—Allen, Akers and Belt; Brahie and Nippert.

In the second game Wright held the Belites down to five hits while the Indians made seven bingles. Jacksonville made three errors which helped the Indians some. Wright was in good form and the locals had a hard time finding him.

The score: R H E  
Jacksonville ..... 3 5 3  
Paducah ..... 6 7 0  
Batteries—Fox and Belt; Wright and Downing.

Hoosiers and Hostlers Break Even.  
Mattoon, Ill., June 26.—The Hostlers and Hoosiers broke even yesterday in a double header. The Hostlers took the first game with ease by a score of 4 to 0. Errors on the part of the Hoosiers made the fight a one-sided affair.

The score: R H E  
Mattoon ..... 5 10 1  
Vincennes ..... 0 5 5  
Batteries—McCarthy and Schissel; Chenault and Mattison.

The Hoosiers hit a batting streak in the second game and made eleven bingles. The Hostlers were unable to connect with Farrell and with three hits and five errors stood little show to win out.

The score: R H E  
Vincennes ..... 8 11 1  
Mattoon ..... 0 3 5  
Batteries—Farrell and Mattison; McCarthy and Schissel.

#### Worthies Wake Up.

Danville, Ill., June 26.—The Worthies woke up today and took a game from the Rats. It was done by the hardest of slugging. Two homers, two doubles and eight singles figured in the run getting, but the Rats had one man to hit a four sacker. This was Long, the center fielder. But for

#### Echoes From the Battle.

The Indians are playing fast ball now. The showing made with Danville and Jacksonville means something. Cairo lost three to Jacksonville and the Indians take two out of three. Danville is beaten three straights by the Indians yet the Rats are able to defeat the Worthies but two out of three.

When the Indians get that right fielder the lineup will be complete and no other changes made. A fast fielder and hard hitter is in view, and the management is looking for him this week.

Lloyd is all right with the stick but his legs are too stiff for that outfield. He can't field with the rest of the bunch. He knows it and wants to get out of the game, and the management is doing all it can to urge the immediate arrival of the new man.

Downing did some stick work yesterday. He was the star of the Indian aggregation.

Pitcher Akers seems to have "made good" with the Belites. The Indians have of a good batting streak and could touch him but for three bingles.

Nippert caught good ball yesterday but Brahie yielded hits in bunches.

South will join the Indians when they return to Paducah. His arm has been bad and he wanted to go home for a rest.

We hear no kicks from the "Umps" on the road. They must have put a gag in the mouths of some of the ball players.

Lotshaw being out of the game at Jacksonville probably accounts in a measure for the slump of the Belites.

"Now let's see what the Paducah By-Products can do with Miss Alys Rabbit as they are 'hooked up' for three games with the Old Maid. On the first trip to the Old Post Paducah won the first two games on May 27-28 taking the clear lead away from her for one day. But Eddie 'Ginger' Gilligan is not with the 'Ham Trimmers' and that will undoubtedly make a vast difference in their playing."—Cairo Bulletin.

"As a result of the telegraphic vote taken by the several Kitty league association at the request of President Gosnell, Anderson and Marion, of the defunct Interstate league will not be admitted and President Gosnell so informed the managers of those two teams by wire last evening. On the question of admitting the two teams, the Cairo management voted no, Paducah was willing, Jacksonville and Danville expressed a willingness to let President Gosnell use his own judgment in the matter, and the Mattoon management was willing provided the Cairo and Paducah teams were dropped. President Gosnell did not deem it a good thing to make a change at this stage of the game, so he notified the Marion and Anderson people to that effect, and it is thought the matter is closed for the present. However, if any of the present teams should drop out Marion and Anderson may be given a berth."—Vincennes Commercial.

Bob Berryhill, who resigned as manager of the Hostlers has been made manager of the Danville team, vice C. A. Wortham, resigned.

The baseball enthusiasm in Pittsburg has reached such a pitch that the director of the police department felt himself dutifully bound to check the newspapers and others who flagrantly encourage violent rooting for the "Pirates." The police director has ordered all newspapers and proprietors of cafes and pool rooms that have been bulletining scores by innings to discontinue the practice. Any one making public the score before the game is finished will be prosecuted.

Ridgeway says he has received many complaints from business men who bewail the fact that their clerks go out on the street and forget to return. They stand in front of some bulletin board and watch with absorbed interest the scoring of "Pirates," "Giants" and "Cubs" while office, store and factory work is utterly neglected.

The new police order is technically based on the presumption that publishing of the score by innings encourages betting and interferes with business. The director is denounced by all fandom.—Exchange.

## PILES

"I have suffered with piles for thirty-six years. One year ago last April I began taking Cascarets for constipation. In the course of a week I noticed the piles began to disappear and at the end of six weeks they did not trouble me at all. Cascarets have done wonders for me. I am entirely cured and feel like a new man." George Kryder, Napoleon, O.
